MEDICHERLA JYOTSNA YALLA SRI

iOS Developer | Flutter Developer

Hyderabad, Telangana | +91 9391352557 | srijoshi78@gmail.com

PROFESSIONAL SUMMARY

Mobile Application Developer with 2+ years of professional experience in software development, including iOS development with Swift, UIKit, CocoaPods, and Xcode on a healthcare patient app. Expanding into cross-platform development with hands-on Flutter and Dart project experience. Skilled in building user interfaces from Figma designs, integrating REST APIs, debugging and testing features, and collaborating with development teams.

TECHNICAL SKILLS

Mobile Development: iOS Development, Flutter, Dart, Mobile UI Development

iOS Technologies: Swift, UIKit, Xcode, CocoaPods

APIs & Programming: REST APIs, API Integration, JSON, Object-Oriented Programming (OOP)

Backend & Data: NestJS, TypeORM, JWT Authentication, SQL, PostgreSQL, Informatica IICS, ETL

Tools: Git, Xcode, Android Studio, VS Code, Figma

PROFESSIONAL EXPERIENCE

iOS Developer | Medicover Corporate Office **Dec 2024 – Present**

Project: Sahrudaya Emp App (healthcare mobile application)

- Develop and maintain iOS features for the *Sahrudaya Emp* App using Swift and UIKit, with dependencies managed through CocoaPods.
- Build and enhance app screens and reusable UI components, implementing layouts from Figma designs.
- Integrate REST APIs and handle JSON responses to enable data communication between the app and backend services.
- Debug, test, and resolve application issues to improve app performance and user experience.
- Collaborate with team members to implement, maintain, and enhance application features.
- Building hands-on Flutter and Dart projects to expand into cross-platform mobile development.

Trainee Software Engineer | TechnoFlair Solutions Pvt Ltd **Dec 2022 – May 2023**

- Developed web APIs with CRUD operations using the NestJS backend framework.
- Implemented JWT authentication and worked with TypeORM, SQL, and PostgreSQL.

Informatica Cloud Services (IICS) | NorthCap Technologies Pvt Ltd **Sep 2022 – Nov 2022**

- Worked with Informatica Intelligent Cloud Services (IICS) on cloud-based data integration and ETL processes.
- Gained exposure to SQL-based data management and data integration workflows.

EDUCATION

Bachelor's Degree in Computer Science | Vignan Institute of Engineering for Women **2018 – 2022**
GPA: 7.9/10

Intermediate | Sri Chaitanya Junior College | 90% **2016 – 2018**

SSC | Ravindra Bharati School | GPA: 8.7/10 **2015 – 2016**

LANGUAGES

English, Telugu
